

The Complete Learning Ecosystem

for UPSC Aspirants

Some years back, four lads stepped down in a big city. The city of dreams - Trivandrum.

Every day at 4.30 AM they sat together with a pen and a bundle of blank papers. And they practiced answer writing, consistently.

With each day, they trusted the process. They progressed. Moreover, their friendship bloomed.

And, they won together!

Why?

LeadIAS

Best Classes in India

Exam-oriented curriculum with 1000+ hours of classes under the guidance of qualified and renowned faculty league.

Skill-Based Training

LeadIAS provides logical training and PYQ oriented learning methodologies designed by exam strategists in collaboration with the findings of Learning Research Centre.

Prelims & Mains Workshops

Prelims and Mains Workshops employ mental exercise pedagogies to streamline thought process in Prelims and coherently structure answers in Mains.

Research-Backed Mentorship

The highest number of Kerala's interview attended mentors ensure personal attention and customized tracking of aspirants' performance in LeadIAS.

Lead Learning Innovations

01

RELAY LEARNING

When COVID lockdown disrupted learning system, LeadIAS adopted relay learning via Spaced Revisions & Connected Learning

02

LOGIC TRAINING

For the first time in India, we introduced logic learning via approach training to streamline thought process.

03

ONSCREEN COMPARATIVE EVALUATION (OCE)

OCE is a mental exercise pedagogy for developing answer-writing skills. It works through daily comparative evaluation of answers.

04

ROUND TABLE DISCUSSION (RTD)

Prelims question paper-solving by Prelims Expert for aspirants in a peer group.

05

MICROCLASS (Daily Current Affairs)

Aspirants are empowered to recognise and analyse relevant news points through daily morning interaction with the expert.

06

PRELIMS SIMULATOR

Aspirants can observe the Prelims Expert solve Prelims paper live and learn to tune their thought process on the basis of logic and content.
